

WE MUST KNOW

SH. NOSRATI

We must know

- God has always been.
- God has no form.
- God has not a body.
- God is not a spirit.
- God is not mass.
- God is not energy.
- God has no father/mother.
- God has no son/girl.
- God was not born.
- God does not give birth.
- God is unique.
- God does not change.
- God is not composite.
- God has no parts.
- God does not need anything.
- God cannot imagine by creatures.
- There is nothing like him. The universe is the act of God. God's action is different from his essence.
- We cannot describe him. God is greater than can be described.
